

## ECONOMY 2 SPEED WIPER MOTOR

Motor cover (sold Separately)

These economy wiper motors have a brass shaft, and come complete with mounting plate, bracket, and mounting hardware. Motors are preset with the degree of sweep at 80°, but all motors have an adjustable sweep feature that allows the motor to be reset at 45°, 60°, 80° or 110°. These self-parking motors are also preset for right angle drive which can be changed to a left angle drive. **Motor cover purchased separately.**
