**Please Note the Following**

**As of Oct. 2011, Sherwood pumps P1710, P1716, P1722, P1726, P1727, P1730 and P1732**

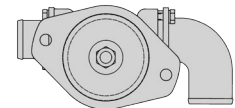

have been updated and now end in "C". All pumps prior to the change have the "Old" style shaft and bearing assembly and water seal. Installing the "New" style shaft and bearing assembly and water seal in an "Old" style pump converts it to the updated style. Shaft not included with 2112322.
